

Additional Licensure Plan  
Program of Study  
Reading Specialist Endorsement  
Grades P-8, 7-12

**University of Arkansas**

**All UA course requirements are subject to change. Applicants must meet current state requirements at time of application.**

An endorsement in reading can be added to a standard teaching area in grades P-4, 4-8 or 7-12. It cannot be added to a license in the non-instructional teaching areas, adult education, school psychology specialist, library media science, or guidance and counseling.

To add the reading specialist endorsement to an Arkansas teaching license, the applicant must hold a master's degree. Admission to the University of Arkansas Graduate School is required to enroll in the courses required for the reading specialist endorsement.

Check with the State of Arkansas Department of Education Professional Licensure Division for more details.
