to 3 hours Geography; Fine Arts Elective (3 hours) to 6 hours fine arts and humanities, 3 hours of which must meet university core requirements

In ESL option, add CIED 4413 and CIED 4423 to replace 6 hours ESL electives.

In Special Education option, add CIED 4513 and CIED 4523 to replace 6 hours Special Education electives.

Check if either of these boxes apply and provide the necessary signature:

- Program change proposal adds courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____
- Program change proposal deletes courses offered by another academic college, and that college dean's office has been notified. The signature of the dean of that academic college is required here: _____

Check all the boxes that apply and complete the required sections of the form:

- Change of Name and Code (Complete only sections I, II, V and VII.)
- Change Course Requirements: (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Delivery Site/Method (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change Total Hours (Complete all sections of the form except "Proposed Name" in II, section III, and section IV.)
- Change in Program Policies

SECTION VI: Justification

Justify this change and state its likely effect on any other degree program (including those outside the school or college). Identify any program or program components (other than courses) to be eliminated if this program is implemented. (Program and course change forms must also be submitted for such related changes.) **In 2006, program changes were approved that would allow Childhood Education graduates to add either Special Education or English as a Second Language endorsement from the state of Arkansas. Clerical errors were made in the presentation of these program changes and the current change proposal seeks to remedy those errors. Additionally, courses have been added as alternatives when such courses have frequently been accepted previously as program modifications. No other degree program will be affected.**

SECTION VII: Catalog Text and Format

In the box below, insert the current catalog text which is to be changed, with changes highlighted with the color yellow. Include all proposed changes identified in Section V. Only changes explicitly stated in Section V will be considered for approval by the University Course and Programs Committee, the Graduate Council and the Faculty Senate. If you are proposing a new program, give proposed text with all of the elements listed below. If you are proposing modified text, include these elements as appropriate.

The University of Arkansas offers the B.S.E. degree in elementary education licensure program B.S.E. degree in childhood education, and the M.A.T. degree in childhood education. To be recommended for an initial teaching license in childhood education (pre-kindergarten through grade four) the student must either complete the B.S.E. licensure program or both the B.S.E. in childhood education and the M.A.T. degree programs. Information about the M.A.T. degree program in childhood education can be found in the Graduate School Catalogue. Information about the B.S.E. degree in elementary education licensure program will be described later.

Academic Regulations for Childhood Education Majors and Others Seeking Admission to the Undergraduate Teacher Education Program

Stage I: Sylvia Hack Boyer Center for Student Services Advisement

Enroll in the undergraduate B.S.E. program in childhood education

Complete 45 hours.

Obtain a grade of "C" or better in CIED 1002 and CIED 1011 (Introduction to Education/Practicum) and in MATH1203 (or higher).

ATTACHMENT - 1

Establish a GPA of 2.50 or better at the University of Arkansas or on transfer hours.
Pass Praxis I (required for enrollment in upper-division professional education courses).

Stage II: Program Advisement

Register for and complete screening (attending required information session and participating in an oral interview with program faculty and providing a copy of the appropriate Praxis passing scores) in the first semester advised by childhood education program faculty.

Eligibility to enroll in subsequent program courses is contingent upon successful screening as well as meeting ALL stage I requirements.

Establish a GPA of 2.7 or better.

Stage III: Admission to Undergraduate Teacher Education Program

Eligibility to enroll in upper-division classes (CIED 3103, CIED 3113, **CIED 4128**, CIED 4113, and CIED 4101) is based on successfully meeting all Stage II requirements and maintenance of 2.70 or better GPA.

NOTE: All professional education courses in CIED must have a grade of "C" or better. Passing appropriate Praxis scores and a GPA of 2.7 or better are required for enrollment in upper-division (senior year) professional education courses. No teaching methods course may be taken by correspondence. Students must select either English Second Language (ESL) or Special Education as a licensure endorsement to their P-4 teaching license.

Include the following elements, in order, in the catalog text for proposed undergraduate program(s) or program changes:

- State complete major/program name
- Briefly define or describe the major/program or discipline.
- Identify typical career goals or paths for graduates. (Optional)
- State admission requirements (if any) for entry or entry into upper/advanced level of major/program.
- Identify location in catalog of university, college/school, and department/program requirements which the student must meet in addition to hours in the major, but do not restate these requirements.
- State course requirements in the major and any allied areas, giving number of hours and specific courses; specify electives or elective areas and give numbers of hours and courses in elective pools or categories; identify any other course requirements.
- State any other requirements (required GPA, internship, exit exam, project, thesis, etc.).
- Identify name and requirements for each concentration (if any).
- Specify whether a minor or other program component is allowed or required and provide details.
- State eight-semester plan requirements

For minors, state requirements in terms of hours, required courses, electives, etc.

For graduate program/units, include elements (as needed) parallel to those listed for undergraduate programs above.
